

Supply List PYP (EC1 – Grade 5)

- ✓ HIS issues all textbooks to students at no additional cost.¹
- ✓ The School provides Physical Education (PE) clothing at an additional cost (this is not a requirement – but appropriate dress for PE is)
- ✓ Pencils, pens, notebooks and other basic stationery supplies are provided.
- ✓ Morning Recess: Nutritious snacks (minimize sugar) are recommended for the morning break.
- ✓ Lunch and lunchbox: Please send a nutritious and substantial lunch.
- ✓ Canteen: Snack options are also available from the canteen at a nominal price.
- ✓ Water Bottles: We do have filtered water fountains placed throughout campus, but it is a good idea for students to have a water bottle as well.
- ✓ Hats: On account of Harare's altitude and the strength of the Zimbabwean sun, HIS has a hat rule. Elementary School students are encouraged to wear hats at all times when they are outdoors, including during morning recess and lunch breaks.
- ✓ Indoor shoes in the rainy months: Please send your child with a pair of soft, slip-on (without laces) shoes that can be left at school all year.
- ✓ Sunscreen: Sunscreen is optional, but highly recommended, for those times when students will be outdoors. There are sun screen dispensers in the PYP section of the school.
- ✓ Backpack: A backpack is useful for carrying personal and school items.
- ✓ Lunch boxes, hats, shoes, backpacks etc. should be clearly labeled with the student's name. This is an important requirement. It is much easier to return a lost item to the owner if it is clearly marked or labeled.
- ✓ In EC2 students are required to provide their own pillow and blanket for use during the down time period.
- ✓ Head phones: For hygienic reasons we are requesting that each student have his / her own set of ear / head phones for use with our tech devices.

¹ These texts and materials are the property of the School and it is each student's obligation to protect his/her books. All textbooks must be returned at the end of the year in good condition.
